

SUMMER & FALL MISSIONS, 2010

Missions Update...

In July, we were privileged to have full-time A/G Missionaries, Tom & Candi Manning and their 3 sons, in our home, here in Oklahoma for 5 days! They are home, in the U.S. for 6 months, on Furlough. They have the burden of raising much needed funds to offset their deficit. A deficit due to the **increase** in the cost of living abroad, as well as the **fluctuation** of the American Dollar on the world market.

With the Lord's help, we were able to help them fly to Oklahoma and hold services in 3 different Oklahoma churches over their 3 week stay. We were also able to buy school clothes for one of their sons, heading off to

his first year of college, **among other little blessings.** ☺

We want to especially thank a few people, who helped make this missionary family's Oklahoma tour possible!

Kevin Grover, GMC Wagoner, OK for providing a vehicle for them to drive, cost free.

Ron & Edie Tolbert, Catoosa, OK & Mike & Karen Lewis, Broken Arrow, OK for providing housing and hospitality.

Also, **thank you, to all of our partners, who support this ministry** because **YOU** enable us to do what we do for the Kingdom! The Mannings return to the field, in Austria, in January, 2011.

BERLIN, GERMANY, EURO-NET PASTOR'S CONFERENCE, NOV. 2010

We're just back from Berlin! November 1—7th we traveled there, to minister at the 16th European Networking Conference. Pastor's and their companions from all over the EU attended, to get away and be refreshed by the pres-

ence of the Lord. Mark and Susie were the featured Speakers & Music Ministry on Wednesday evening. What an honor to speak into the lives of several hundred men and women, who labor each week in His Harvest Field!

Many of whom, were discouraged and ready to quit! Mark brought a message entitled, "A Time To Fight!" A fresh wind of God's Spirit blew through and we ALL left encouraged and determined! (See pics Pg. 2)
